What is the Organixx LIVE IT challenge?

Unlike a diet, Organixx Live It implies positive action. A diet is restrictive; it requires a person to limit the things that they eat or drink in order to be successful. Organixx Live It is the opposite. It is unlimited and inspiring. Organixx Live It is a path to wellness that allows you to take action, participate in activities that bolster your health, improve your overall wellness, and inspire your continued journey to a long-term healthy lifestyle.

During our Live It activities, we will be challenging ourselves to improve our health and well-being and we will have a little fun at the same time, with chances to win some amazing prizes.

The graphic is a promotional banner for the Organixx Live It Challenge. It features a light beige background with a torn-paper edge effect. On the left, there are two polaroid-style photos of a man, Jonathan, showing his weight loss from 210 lbs to 178 lbs. Below the photos is the Organixx Livelt! logo, which includes a small tree icon. In the center, there is a collection of items: a blue kettle, a red and blue water bottle, a small blue diffuser, and a \$500 Organixx Giftcard. To the right of these items is a list of benefits, each preceded by a green checkmark. At the bottom right, there is a red button with the text 'LEARN MORE'.
